

ABOUT THE COLLEGE

Vimala College (Autonomous), Thrissur established in 1967 is one of the pioneering higher education institutions in India. Vimala was accorded autonomy in 2015 and conferred the status of College with Potential for Excellence in 2016. The three NAAC Accreditations bestowed on the Institution, the Five Star Status in 2001 and A-Grade in 2008 and 2014. Vimala offers 16 Graduate and 13 Post Graduate programmes along with other certificate and short term courses and is a Centre for Research in English, Physics, Commerce, Social work, Economics & Malayalam.

ABOUT RITI 5.0

Department of Computer Science, Vimala College (Autonomous), Thrissur is happy to host the fifth edition of its Annual Intercollegiate Techno fest "Riti 5.0" to be held on 21, 22 August 2020. The overwhelming response from all participant colleges in the past four years has inspired us to conduct the Techno fest online this year as we are in a pandemic situation of Covid -19. Of course, this is a stressful period for everyone, especially students and teachers, as they are physically apart in academic activities. Amidst these situations, we are planning to conduct our competitions online. The idea is to not only reduce panic but also develop a strong sense of student involvement in extracurricular activities.
